

ROLE PROFILE

Post Title:	Automotive Technician	
Grade:	LC 6	JE: 1234
Location:	Fleet Management Unit, Lancashire Constabulary HQ	
Responsible to:	Workshop Team Leader (Operations)	

Job Purpose:

To service, repair and maintain fleet vehicles efficiently to manufacturer and Ministry of Transport regulations. Take account of priorities and operational requirements to maximise vehicle availability.

To provide support and specialist advice to staff in relation to maintenance and care of fleet vehicles.

Key Responsibilities:

This is not a comprehensive list of all the tasks which may be required of the post holder. It is illustrative of the general nature and level of responsibility of the work to be undertaken.

- Conduct servicing, repairs and maintenance within agreed industry/workshop timescales as allocated by team leader.
- To carry out fault finding and testing using diagnostic equipment where necessary.
- To conduct MOT testing, roadside repairs and vehicle recovery as required.
- To accurately record all work completed on individual vehicles using job cards through Tranman touch screens.
- Pro-actively manage the impact of delays, interruptions or changes in plans and implement appropriate courses of action to maximise vehicle availability.
- Provide advice and technical assistance to team members where required and maintain good relationships with officers and staff by meeting and exceeding their expectations.
- To undertake the training, development and mentoring of apprentices as required.
- Be responsible for personal Health and Safety within the workshop ensuring Health and Safety at Work Act regulations are adhered to.
- Take responsibility for improving your performance and maintaining technical skills by participating in the Continuous Professional Development (CPD) process with your manager.
- Promote and comply with Lancashire Constabulary's policies on equal opportunities and health and safety both in the delivery of service and the treatment of others.

- Work with customers and colleagues to ensure delivery of effective communication and management of expectations. Adopting a customer focussed approach.
- To be responsible for improving your performance by participating in the Professional Development Review (PDR) process with your manager.
- To carry out any other duties which are consistent with the nature, responsibilities and grading of the post.

Behaviours:

The Competency and Values Framework (CVF) has six competencies that are clustered into three groups. These competencies will be incorporated into the interview stage of the selection process.

For more details on these competencies please follow the link provided.

https://profdev.college.police.uk/competency-values/

This role is required to operate at or be working towards the levels indicated below:

Resolute, compassionate and committed					
Behaviour	Level	To be Identified by			
We are emotionally aware	1	Interview			
We take ownership	1	Interview			
Inclusive, enabling and visionary leadership					
We are collaborative	1	Interview			
We deliver, support and inspire	1	Interview			
Intelligent, creative and informed policing
