

## Promotion Process – Support Form

Senior Officers are required to assess the suitability of the officer wishing to apply for promotion to the next rank. Senior Officers must consider all the evidence provided by the officer and make an assessment of whether the officer is considered to be fit for immediate promotion. If the Senior Officer does not support the application, then the rationale for this decision must be documented below and discussed with the officer as the application will not proceed any further.

Once completed this form should be emailed prior to the closing date to:
